DECLARATION OF RESTRICTIONS

81-4274

On this 9th day of July, 1973, Onion Creek Development Company (a joint venture composed of Lumbermen's Investment Corporation and C&D Investments, a partnership of which James N. Demaet and James D. Connolly are the General Partners), herein collectively called "Developer", hereby declares that the land described below shall be held, transferred, sold, conveyed, and occupied subject to the following covenants, conditions, restrictions, reservations, and charges, hereby specifying and agreeing that this Declaration and the provisions hereof shall be and do constitute covenants to run with the land and shall be binding upon Developer, its successors and assigns, and all subsequent owners of each lot and the owners, by the acceptance of their deeds, for themselves, their heirs, executors, administrators, successors and assigns, covenant and agree to abide by the terms and conditions of this Declaration:

1. Land

Developer is the owner of real property located in Travis County, Texas (herein called the "Land") more particularly described in the attached Exhibit "A", which is attached hereto and made a part hereof for all purposes.

2. Subdivision

Developer has subdivided the Land into lots (herein called "lots") according to the Plat thereof recorded in Book 65, Page 5, Plat Records of Travis County, Texas, to which Plat and its record reference is made for all purposes. Developer plans to create a residential community by selling the lots for the construction of single-family residences, townhouse-patio dwellings, condominium units, planned unit developments, apartments and commercial and industrial buildings, pursuant to this Declaration of Restrictions and the Declaration of Covenants of even date by Developer.

3. Purpose

The land is encumbered by the covenants, conditions,

restrictions, reservations, and charges set forth herein to insure the best and highest use and most appropriate development of the property; to protect lot owners against improper use of surrounding lots; to preserve so far as practicable, the natural beauty of the property; to guard against the erection of poorly designed or proportioned structures of improper or unsuitable materials; to encourage and secure the erection of attractive improvements on each lot with appropriate locations; to prevent haphazard and inharmonious improvement of lots; to secure and maintain proper setbacks from streets and adequate free space; and in general to provide for development of the highest quality to enhance the value of investments made by lot owners.

4. Architectural Control

There is hereby created an Architectural Committee composed of James G. Vier, Willard Connolly, and Ron B. Helton, to serve until their successors are named. A majority of the Committee may act for the Committee and no notice of any of its meetings shall be required. A vacancy on the Committee shall be filled by the remaining members or a single remaining member. When all of the lots subject to this Declaration, including those which may be subject hereto under paragraph 8 below, are sold by the Developer and improvements are constructed thereon the term of office of the Committee shall be deemed to have expired and Onion Creek Homeowner's Association shall have the authority to select the Committee. The members of the Committee whose terms have expired shall serve until their successors are selected.

No building, garage, storage house, wall, fence, driveway, sidewalk, parking area or other improvements shall be erected, placed, altered or maintained upon any lot nor shall any exterior additions to or change or alteration therein be made until the plans and specifications showing the nature, kind, shape, height, materials and location shall have been submitted to and approved in writing (considering, among other matters, the harmony of external design and location in relation to surrounding structures and topography) by the Architectural Committee, which approval will not be unreasonably withheld. Plans, specifications and plats shall be

filed with the Committee by delivery to the office of the Developer. All actions of the Committee will be in writing and copies of its actions will be retained in its records maintained at the office of the Developer. If the Committee fails to act on a request within thirty (30) days after filing plans and specifications, said plans and specifications shall be deemed approved.

The Committee is authorized in its sole discretion to grant a deviation from the requirements contained in paragraph 6, subparagraphs (b) (2), (c), (d), (e), (f), (o), and (q).

5. Association

The Developer shall, on or before December 31, 1973, organize the Onion Creek Homeowners Association, a non-profit corporation under the laws of the State of Texas, for the purposes and with the effect set forth in a Declaration of Covenants of even date by Developer, reference to which is here made for all purposes.

6. Restrictions on Lots

(a) Land Use. All lots in the subdivision shall be used for residential purposes, except a portion of Lot 19, Block F, shown on the attached Exhibit "B", which is hereby designated for use as the clubhouse and related facilities of Onion Creek Country Club and shall not otherwise be subject to this Declaration. Temporary uses may be made of the lots by Developer for model homes, parking lots, and/or sales offices, which shall be permitted until December 31, 1984, or until permanent cessation of such uses takes place, whichever is earlier.

Eaves, steps, terraces, patios, swimming pools, walls and fences shall not be considered as part of a building for purposes of this subparagraph; provided, however, no part of a structure may encroach on another lot. Corner lots shall be deemed to front on the street on which the lot has the shortest dimension unless otherwise designated by the Architectural Committee. No garage shall be open to Onion Creek Parkway in Block E and Block F, Lots 20 and 21. No obstruction to visibility at street intersections or access easement intersections shall be permitted.

No chain-link fence will be permitted in any location. On a lot that abuts the golf course of the Onion Creek Country Club as it may exist from time to time, no fence higher than three feet shall be erected adjacent to such golf course. All fences and walls must have the written approval of the Architectural Committee wherever constructed, erected or permitted to remain. Sidewalks shall be constructed on the south side of Onion Creek Parkway, the west side of Pinchurst Drive, the west and south sides of Pebble Beach Drive

(g) Temporary Structures. Except as permitted under subparagraph (a) above, no structure, mobile home, trailer, basement, tent, shack, garage, barn, or other out-building shall be used on any lot as a residence, either temporarily or permanently. No building may be moved onto any lot.

(l) Livestock and Poultry. No animals, livestock, or poultry of any kind shall be raised, bred, or kept on any lot, except household pets which are not kept, bred or maintained for commercial purposes.

(m) Garbage and Refuse. No lot shall be used or maintained as a dumping ground for refuse. All trash, garbage and other waste shall be kept in sanitary containers. All containers for the storage or disposal of refuse shall be constructed and maintained and the contents thereof disposed of as required by the Association.

8. Additions

The Developer may bring within the scheme of this Declaration additional properties through the execution and filing of a supplementary Declaration of Restrictions, which shall extend the scheme of the covenants and restrictions of this Declaration to such property. The supplementary Declaration may contain such modifications as are necessary to reflect the different character of the added properties.

9. Enforcement

If the owners of any lot, or their heirs, executors, administrators, successors, assigns or tenants shall violate or attempt to violate any of the restrictions and/or covenants set

81-4281

forth in this Declaration, it shall be lawful for the Association or the Developer, or if the Association or Developer shall fail to do so after 60 days' written notice from a person owning any lot encumbered by this Declaration, then by any such owner, to prosecute any proceedings against the person or persons violating or attempting to violate any such restriction and/or covenant. The failure of the owner or tenant to perform his obligation hereunder would result in irreparable damage to Developer and other owners of lots in the subdivision, thus the breach of any provision of this Declaration may not only give rise to an action for damages at law, but also may be enjoined by an action for specific performance in equity in any court of competent jurisdiction. In the event enforcement actions are instituted and the enforcing party recovers, then in addition to the remedies specified above, court costs and reasonable attorney's fees shall be assessed against the violater.

10. Severance

In the event any of the foregoing covenants, conditions, restrictions, reservations or charges is held invalid or unenforceable by a court of competent jurisdiction, it shall not affect the validity and enforceability of the other covenants, conditions, restrictions, reservations or charges. If one of the foregoing is subject to more than one interpretation, the interpretation which more clearly reflects the intent hereof shall be enforced.
